

DETERMINATION OF NONSIGNIFICANCE

Description of proposal: Cresap RUP Section 26, T4N, R3E. This proposal is for the re-construction of approximately 3,250 feet of road to facilitate timber haul by an adjacent landowner. The State plans to issue a Road Use Permit under number 50-084740 to Kaski Logging Inc. at the completion of the SEPA period that will allow the roadwork and timber haul on State land.

Proponent: Department of Natural Resources

Location of proposal: The proposal is located approximately 8 miles east of Battleground, WA. Heading east from Battleground take NE 219th until NE 182nd Ave. From 182nd travel northbound until you reach Allworth Rd. Head east on Allworth and then northeast on Berry Rd. Travel on Berry Road until you meet the BG-2000 gate on the left hand side and follow the BG-2000 up to the BG-2040 Rd.

Lead agency: Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

☐ There is no comment period for this Mitigated DNS.

☒ This DNS is issued under 197-11-340(2); the lead agency will not act on this proposal for 14 days from July 29, 2009. Comments must be submitted by August 12, 2009.
